

TRAINING

Amadeus provide courses, seminars, webinars demonstrations, lectures and workshops either at our state-of-the-art training facility in the Cotswolds or on-site at client premises. We can tailor courses to specific needs and use client data to create a meaningful learning experience. Amadeus trainers are all full time employees and are part of our project teams to ensure they deliver practical, well-informed tuition backed up by real-life examples. Our Training Needs Analysis service ensures your staff receive the level of training they need.
