

*"We chose Amadeus as one of our SAS Preferred Implementation Partners as they have a wealth of knowledge and experience in implementing SAS solutions. This knowledge and experience has been gained over many years of delivering SAS solutions across numerous different sectors."*

**Nanik Mirpuri, Director of Professional Services, SAS UK**

*"Amadeus has proved to be technically very competent and extremely adaptable and pragmatic in creating a set of tools that enable us to cope easily with fast growing data volumes and rapidly changing requests for analysis and reports."*

*"We particularly like the way Amadeus provides a multi-disciplinary range of expertise for the equivalent of a single consultant..."*

*"Apart from its in-depth experience with SAS software, Amadeus has a good understanding of how it can interface with Oracle and Java which was particularly helpful in creating the integrated solution we needed."*

## SAS and Amadeus

### PARTNER OVERVIEWS

Amadeus is a SAS® Professional Services Preferred Implementation Partner and has a strong reputation for quality projects in the SAS business intelligence arena. Amadeus has extensive SAS®8 and SAS®9 skills including SAS architecture, SAS DI Studio, Enterprise Guide (Add-ins), Web Report Studio and the SAS Portal. Amadeus is different – our company puts people before profit, and maintains long term customer relationships based on mutual trust and understanding. Amadeus helps customers achieve their goals through listening to their needs and responding with unparalleled levels of service and support.

SAS is the leader in business intelligence software and services. Customers at 40,000 sites use SAS software to improve performance through insight into vast amounts of data, resulting in faster, more accurate business decisions and more profitable relationships with customers and suppliers. SAS offers leading data integration, intelligence storage, advanced analytics and business intelligence applications within a comprehensive enterprise intelligence platform.
